

Who We Are

BRAND • IDENTITY

LOGO

The sun and moon represent the services we provide to guests during the day and at night. At daybreak or by moonlight, we are always serving our guests and doing what we do best.

OASIS

An "oasis" is an escape from what surrounds it! We are Springfield's Oasis because we are located in a busy area of the city – surrounded by businesses, traffic, and crowds of people. Our beautiful landscaping, tropical atrium, and genuine service give our guests a refreshing escape. We are also an oasis in the middle of a business trip or daily routine. After a long day of traveling or a mundane week in the office, we are a wellspring compared to what our guests have been experiencing in their travels or day-to-day life.

Our resort-like setting, water features, and tropical plants inspired the Oasis concept. Our décor, amenities, and cuisine are island-inspired and display our tropical flair.

TROPICAL FLAIR

UNIQUE

We are truly a unique property, and we proudly embrace it in our rich history, non-traditional layout, retro-chic style, and passion-driven culture. Our amenities and services are different from the typical hotel experience which makes us distinct and memorable! We crave the freedom to be who we are, and we want guests to choose us because of our uniqueness!

We are diverse in our services and clientele. We appeal to a broad range of guests including groups in every market, corporate travelers, leisure travelers, & families. Our multifaceted services offer everything in one facility, making us a place to stay, meet, play, and eat.

DIVERSE

VIBRANT & COLORFUL

Our eclectic and color-filled décor showcases the vibrance and uniqueness of our property. We even feature a gallery of original, one-of-a-kind paintings from local artist, Gavin Skye, which were customized to capture the essence of our dynamic and colorful personality.

Our property allows travelers and locals to escape and play, making us Springfield's premier getaway hotel! The nature of our work makes it fun to serve our guests, and we encourage that which creates exciting and interesting experiences.
